Quick Quotes

Q. Congrats on a great week. What positives will you take away from it?

SHANNON FISH-MARTIN: Oh, my gosh. I think everything about this week has been positive for me. Starting in March, this was my only goal, and it was just to make it here, so to make it to the semis was -- I'm just very proud of that.

Q. You're exempt the next two years; I'm sure that's a relief.

SHANNON FISH-MARTIN: Oh, my gosh, I had no idea. Yes, that's amazing. Everything about this week has just been so special. For me, like, seven years ago I didn't even think that I would return to golf, and then certainly in the past five years, I was pretty sure golf was not in my future at all anymore.

So to be back here and competing at this level, which is extremely high, it's so impressive. It's just a tremendous honor, and the fact that I get to play in a couple more is amazing, and I'm very excited.
