### Quick Quotes

**Q. Congrats on a well-played week. What are the positives you'll take from this experience?**

EMILIA DORAN: Just that I made it farther than I did last year. I definitely really wanted to make it through the quarters and just show myself I can continue to make a run in these USGA championships.

I just didn't quite have my iron play in the semifinal round. My swing just got a little off and just made it hard to hit some shots. Just couldn't really get any putts to fall. Some of the reads were a little tricky.

So, yeah, I didn't play my best golf in the semifinal round but just proud of my fight.
