Quick Quotes

Q. Just a hell of a battle. You're 3-down with three to go, three straight birdies and then extra holes. Talk about that battle with Drew today.

ZACH FOUSHEE: Yeah, it was scrappy in the beginning for me. He's a good player. Yeah, at the end I hit two good 9-irons pretty close to get it to extras, and then it was a battle the last four or five, however many holes we played. He drained a great putt at the end.

Q. Can you remember any matches where you were sort of dormie and pushed extra holes like that?

ZACH FOUSHEE: No, no. I've never been in that situation before. Anything can happen out here is kinda what we were thinking.

Q. You came up a bit short, but what will be some of your takeaways this week?

ZACH FOUSHEE: I've got to hit the ball higher and further and spinnier. That's it.
