Quick Quotes

Q. Patience, you must be delighted to get another point on the board. How tough was it?

PATIENCE RHODES: It was great. We're always in sync. (Indiscernible) out there. I don't know, I had her back, she had mine, and we made lots of birdies, lots of putts. So putting a lot of pressure on them, and it worked out great.

Q. Yeah, I think you were 6-under through 14. It shows the quality of golf you were playing.

PATIENCE RHODES: Yeah, it was pretty good.

SOPHIA FULLBROOK: We played pretty solid the whole day. Played a bit harder coming in on the stretch, but we were putting great.

PATIENCE RHODES: Some hard holes coming in on the stretch. If you're three, four up, it's easy to lose a couple.

Q. You had a nice run there at the turn as well, where you took a stranglehold on the match. Was that a key phase for you?

SOPHIA FULLBROOK: I think it's really key keeping the momentum from the front nine going into the back. Our match yesterday, we lost it a bit for sure. I think today we were just looking to keep doing what we were doing, yeah.

Q. How hard is it to not look at the scoreboard and just concentrate on your own game?

PATIENCE RHODES: It is hard. I only looked at the scoreboard on the back nine, but you could hear the American cheers from a mile away. So that's also quite hard. When you hear the quieter cheers, you know we're doing well.
