Quick Quotes

Q. Your third straight 2-1 victory. How are you feeling?

MEGHAN STASI: God, they're just so fun. They're so fun to watch. It's been -- sorry, I can't do two things at once.

A great start for the first three matches. I was very excited how hard they worked and the grind. It's a grind out there. It's a long day, and it's a lot to ask of them, especially girls that are playing multiple matches back to back.

Q. You had Farah in the anchor match the first two sessions, and you bring her up to the first one today. Talk to me about that decision.

MEGHAN STASI: Yeah, just talking to the manager and the assistants, just trying to change it up a little bit and get the momentum a little bit different.

Q. And you took Kiara and Asterisk from first to third. Anything about that?

MEGHAN STASI: Same thing. We talked about the team and just thought we'd change it up a little bit and see what happens.

Q. Farah, Asterisk, and Kiara have played four rounds at the U.S. Open, now all three sessions. Do you sense any fatigue in the team? If so, any kind of adjustments or changes you need to make?

MEGHAN STASI: There is definitely fatigue, but they're used to it physically, mentally. But this is the sport. It's hard. This is what they're going to do for, most of them, for the rest of their lives is play golf. They're just preparing.

Yeah, it is a grind. It is tough. I'm just so appreciative of how hard they're working day after day and shot after shot.

Q. Do you have a favorite shot from this morning?

MEGHAN STASI: Oh, man. I mean, the shots on -- well, the putt Jazz made on 16 was awesome, just following that

to save par there. I think it was to save par. And just to battle it out for the last few holes. Those shots in on 18, that's huge.
