## Patience Rhodes

### Quick Quotes

**Q. 4-down after five, 4-down after seven, and you win. What does that say about you?**

PATIENCE RHODES: I was just very determined. Didn't start off great, kind of plummeted a bit, but then I got a good feeling out there with my swing. Just started firing every pin, holing some putts. She also made some good putts. So just kind of trying to put the pressure on her and then yeah.

**Q. Similarly, the team was 6-3 down after the third session yesterday, and we're taking it really deep here on the final day. What does that say about the team and Catriona and the whole team?**

PATIENCE RHODES: It says a lot about the team. They give us inspiring words all the time. The captains are great. Catriona's really great. And we all believe in each other. So the belief is kind of the key.
