Quick Quotes

Q. Jasmine, that par putt on 18 to secure the first point for Team USA today in singles after being 4-down, how do you feel?

JASMINE KOO: I'm so over the moon. I don't know how to feel right now. I'm super happy because just battling back, I never gave up. Honestly, I've never been able to flip a 4-down before. It's easy to lose hope. I'm just glad I was able to do that for our team.

Q. What were you telling yourself on 12, being 4-down, that like kept you in it and not quit on the match?

JASMINE KOO: I was just telling myself to keep my back straight, don't lose my posture, keep my head up, just keep walking with a fast pace. That's what I was telling myself, it's not over.

Q. Now your experience with the Curtis Cup is over. Talk about what it's like playing for Team USA and your favorite moments from this week.

JASMINE KOO: It's definitely like the team room moments. All week we were playing 20 Questions in the team rooms when we were bored, and you would hardly see us on our phone in the locker room. It's moments like those, it's just so much fun.

We're all these elite golfers, and now we're playing as part of a team representing our country, but like we're playing 20 Questions.
