Quick Quotes

Q. Kary, after everything your game has been through in the last month or so, to win the final match of the Curtis Cup on 18, just talk to me about how it feels.

KARY HOLLENBAUGH: It honestly feels amazing. Just to be able to represent your country and to win a match.

Yeah, definitely haven't been in a great spot with my game, but I feel like there's so much motivation to play for this team and to play for the USA. I think that just really brought out some of the game that I've been searching for in the past.

Yeah, it was definitely a grind, and I think I really just tried to continue to trust myself and just play my game. If I mis-hit a shot, just know that I can bounce back.

Q. What was it like when, I think it was Farah first that hugged you on the 18th hole and then the rest of the team came. That had to be a good feeling.

KARY HOLLENBAUGH: Yeah, it's an awesome feeling. It's just so amazing. Just getting to know all the girls this week has been so much fun. They're just great teammates, and they truly care for everybody. Yeah, they're just awesome. So it's cool to have that on the last green.

Q. Last question. Do you have a favorite moment from this week either on the course or off the course?

KARY HOLLENBAUGH: I think that right there, just being able to win as a team the Curtis Cup. I think just representing USA very well.
