Quick Quotes

Q. Tell me about your round today.

JACK BONIFANT: Nothing went in for the first 15 holes -- I guess nothing went in for the first 18 holes. Then I got a couple wrong distances coming in and just putting them in really bad places led to bogeys.

Q. How do you reshift your focus for tomorrow going into the final round, kind of put that behind you?

JACK BONIFANT: Just got to hit fairways, put it on the green, give myself a chance to make birdie and try and catch them.

Q. We've talked about this a lot, that this is the inaugural championship. Now that you're two days in has there been any particular moments that have stuck out to you the most?

JACK BONIFANT: I think more just the whole experience. I haven't played -- I've been close but I haven't played in other USGA events, and I think the USGA is approaching this just like they would the U.S. Open, the U.S. Amateur, and I think that's resonating with the people that are here, and I think that's definitely the one thing that sticks out for sure.
