Quick Quotes

Q. Brendan, so this is your debut at the U.S. Adaptive Open. What are some of your takeaways from the week?

BRENDAN LAWLOR: Yeah, such a good week. The hospitality, the people, the course itself was incredible.

I've extremely enjoyed every minute of it. Playing some really good golf. Usually if I shoot 9-under in a tournament it's not too far away. Kipp just blew the field away this year. He was unreal. I am really excited to come back next year.

Q. Here in the first year you have won the short stature impairment category. What does that mean to you?

BRENDAN LAWLOR: Yeah, I'm delighted. Obviously I want to win the main one. That's my main goal. I think the categories are fantastic. It gives a lot of people a chance to win their own thing. Yeah, just hope the game keeps growing and moving forward the way it's going.
