Quick Quotes

Q. We're here with Simon Lee. Simon, great round of golf today. What was working well?

SIMON LEE: Today was a terrible round for me today, yeah. It was a disaster. My wedge and iron was very terrible. Yeah, I chunked -- I made a lot of chunk shots, with the wedge in and the short iron.

I think I got a lot of pressure today. Hopefully I can make up tomorrow, yeah. Tomorrow we're going to attack every 18 holes and go for the green, every hole tomorrow.

Q. After winning the first one, do you feel more pressure at this event? Having been a champion.

SIMON LEE: Yes. Yeah, a little pressure, yeah. Hopefully I can make it up tomorrow. We're going to attack every hole, every 18 holes and make a champion again.

Q. It's your second year playing at Woodmont, this golf course. Do you like the golf course?

SIMON LEE: Woodmont? Oh, yeah. I think it's a nice golf course and good layouts with the trees. I think it's, yeah, challenging course.
