Quick Quotes

Q. Bailey Bish, plus 4 today. Bailey, incredible round with five birdies. How do you think it went for you today?

BAILEY BISH: I had a good day out there today. Just a few rough holes on the back that I'd like to have back. I'm looking forward to tomorrow.

Q. After your round yesterday did you adjust anything or your mindset going into today?

BAILEY BISH: No, I was just going in with the plan to take one shot at a time. Don't think too far ahead. Don't think too far in the past. Just do the best I can with what I have in front of me.

Q. It's shaping up to be a really good battle tomorrow. What are you going to take into tomorrow from the last two days?

BAILEY BISH: One shot at a time. Not going to think ahead, not going to worry about what anybody else is shooting. I'm just going to play my game, do the best I can. If I can do that, I'll be happy no matter what the outcome is.
