Quick Quotes

Q. Here with Amanda Cunha. Amanda, congratulations again for winning your category. How does it feel now?

AMANDA CUNHA: Oh, it feels good. I'm always so happy to be out here, especially at Woodmont where we have a really great facility.

They just treat us so well.

Q. And you get to share this honor this year with Sophia Howard, a teammate. What does it mean to be able to share that with her?

AMANDA CUNHA: Yeah, it's really special. We've developed or friendship over the last year now, and our closeness kind of has made both of us better golfers and more connected.

Being able to see her -- did she win?

Q. Yeah, the category.

AMANDA CUNHA: Okay, that's good. Sorry, I haven't checked scores.

Q. You're good.

AMANDA CUNHA: So being able to see her win means so much and I'm so proud of her.

Q. Looking forward to next year, what are some of your goals and just are you excited for next year?

AMANDA CUNHA: Yeah, so now that I'm not in school anymore I'm going to start working a lot more on course play and trying to get, you know, course management down and also my confidence up when I'm playing on the course.

I think a lot of it, too, is that I will be able to be home, and with the familiarity that I have with my dad and being able to play each weekend with him is going to be good for us.

Q. Amazing. If you could sum up this week with just a couple words, what would you say?

AMANDA CUNHA: What would I say? Heartwarming and being able to be with my second family.
