### Quick Quotes

#### **Q. How was it playing U.S. Women's Open in your home state?**

ANGELA STANFORD: It was a lot of fun. Obviously wanted to play better, but I just was not hitting it good the last two days.

But it was fun. It's fun to kind of jump in the car and just drive home though. (Laughter.)

#### **Q. What did you like most about Champions and being in Houston?**

ANGELA STANFORD: You know, the golf courses are great. Love seeing Robin and Jack Burke. I hope a lot of players get to talk to them and get some of the history.

I think it's cool when the USGA picks venues like this that we get to learn something, too. And everything just seemed bigger. USGA did a great job. Hospitality was great.

I don't know if it was because we're in Texas and they just had big expectations it fill, but they did. I thought they did great.
