Quick Quotes

Q. First USGA experience. What did you expect coming in?

A LIM KIM: Because first experience it's more about learning and observing, experiencing the whole tournament.

Q. And how would you say you're doing towards your goals?

A LIM KIM: The course itself is very much my type. If I was in better condition I think I would be having a higher performance.

But I'm in love with the course. Very great playing conditions and so forth.
