### Quick Quotes

**Q. Did you feel any pressure this year being the defending champion?**

JEONGEUN LEE6: I wasn't feeling pressure at all. It's just that my swing wasn't really how I wanted this week and I just feel not really confident about my swing and just -- yeah, that's why I just feel not really happy about it.

**Q. Okay. How did Cypress Creek play today versus round one?**

JEONGEUN LEE6: There wasn't much of a difference comparing to first round and today's round.

But it's just that today the weather was a little bit chilly and I guess that is why a lot of players were struggling playing today.

**Q. Lastly, there is a couple amateurs on the first page of the leaderboard. Do you think as amateur can win the championship this year?**

JEONGEUN LEE6: I feel like amateurs are going to feel a lot of pressure out there, especially the final round. So I feel like there could be a chance to the professional players winning the tournament instead of the amateurs.
