Quick Quotes

Q. Tell us a little bit about your round today.

SEI YOUNG KIM: Overall I'll be honest, it was a frustrating day, both front nine and back nine.

But I finished on a positive note on the back nine. I felt like my shots were coming back, so feel pretty good going into tomorrow.

Q. How were the course conditions out there versus the first two rounds?

SEI YOUNG KIM: Talking about the course, it was very difficult. It was pretty cold throughout the day, so the entire course felt pretty long to me.

If I can remember correctly, I don't think I've holed it -- the second shot iron under -- anything was under 7-iron, so pretty long overall day.

Throughout my career I think this course going into the Top 5 toughest out of the USGA tournaments.

Q. Lastly, we have a couple amateurs on the first page of the leaderboard. Do you think an amateur can win tomorrow?

SEI YOUNG KIM: Yeah, you never know what's going to happen. Not sure about that question.
