### Quick Quotes

#### **Q. Walk me through your round today.**

LINN GRANT: Played all right up until hole No. 10, and then I hit a bad shot. Got in the water. Another bad shot, got in the water again unfortunately.

But, I mean, except that hole I played pretty solid. Had a lot of mud balls though, unfortunately.

But otherwise it was fine.

#### **Q. How did you feel playing in the top group?**

LINN GRANT: I mean, it's an experience and it's always good to have in the backpack sort of.

But, I mean, it's not the best position to be in. I feel like I rather be one group behind to chase. But it was an experience.

#### **Q. This is your second U.S. Women's Open. How did the first one prepare you for this weekend?**

LINN GRANT: I think like when I played in Alabama we went out in the third round, sort of like this round, sort of a bit unsteady. Today I felt like I just had one bad hole really. That round sort of was mentally pretty heavy, and I think I skipped that this time. Yeah.

#### **Q. So what will you do to prepare for tomorrow?**

LINN GRANT: Just do the same thing sort of. Get some good sleep, practice a little, and then come back in the morning.
