### Quick Quotes

#### Q. So how did it go out there today?

MEGAN KHANG: Today was a good day, I mean, given the conditions. And, I mean, it was actually great to see. I didn't realize how dry the course got. It was pretty impeccable how much rain we got yesterday and the maintenance crew did such a good job in the first place and USGA was fair in setting course.

I think once I got past the whole it's going to be cold and windy, it was a good day. I'm very happy how I played today. Kurt and I stayed in it the whole day. Kind of got off track one hole and jumped right back into it.

#### Q. Tied for fifth. Qualify for next year at Olympic Club. What are you most looking forward to?

MEGAN KHANG: To be honest, I feel like -- we have a tournament at Lake Merced and I know someone who's a member at Olympic Club, and he offers to take us out there. I was like, No, I want to go there when the Open is there.

So I always tell him I'm holding off for the Open there, so I'm super ecstatic. I mean, to make sure that we're in the Open again is always an accomplishment, and looking forward to any USGA event.

#### Q. What was the best part of this week?

MEGAN KHANG: I mean, I love the USGA. I've played in USGA events since I was 11 years old in the U.S. Girls. Just getting to see familiar faces and the challenge of the golf course and the tournament itself, it's always a great feeling, and it really tests all of your game.
