## Moriya Jutanugarn

### Quick Quotes

**Q. Moriya Jutanugarn, 3-under 68 today. You played great out there. Can you talk us through your round a little bit?**

MORIYA JUTANUGARN: It was a pretty solid round for me today. Like trying to keep it in the fairway and greens and be aggressive when I can and just take what it is sometime pretty much.

**Q. Did the course play differently at all yesterday compared to yesterday?**

MORIYA JUTANUGARN: Well, I teed off in the morning, so it seems a little softer. Not super windy. Just some of the holes kind of pick up.

Yeah, it's just pretty much just a bit softer.

**Q. You say play aggressively when you can. When can you play aggressively on this golf course?**

MORIYA JUTANUGARN: Not much. (Laughing).

Just more when you feel like you get it the right yardage and also maybe some short irons that you know you can maybe get a bit closer to the pin.

Then, otherwise, just pretty much just middle of the green golf course.

**Q. You've always been known as a good ball striker. Do you have any problem playing to the middle of all of these greens?**

MORIYA JUTANUGARN: I had a problem keeping it in the fairway today on the back nine, but other than that it's not as bad.

**Q. So you put together two solid rounds so far. How are you going to replicate that over the weekend?**

MORIYA JUTANUGARN: Well, of course, it's like the first two rounds kind of gave me a good momentum for the

weekend, and it's just like -- it's like whatever I've been working on, it seems to get a little bit better and just a little bit more confidence.

Hopefully I keep the momentum going.

Thanks.
