## Grace Summerhays

### Quick Quotes

#### **Q. What did you think today? How did it go?**

GRACE SUMMERHAYS: I thought it was good. I felt like I played really well. The course is obviously pretty tough. But I feel like I missed a couple shots that definitely cost me, but I also -- I hit so many good shots, so I'm really confident going into the next round.

#### **Q. Finishing up the round, what did you think about that? How did it go?**

GRACE SUMMERHAYS: It was so cool. Honestly playing in front of fans is so special, and to just hear the cheers on 17 and 18 was so cool.

#### **Q. Having the whole family here must be pretty special. What's that like?**

GRACE SUMMERHAYS: Yeah, it makes my week so much more enjoyable. They're my biggest supporters, so to have them here just means everything.

#### **Q. What were your expectations coming into the week? What were you looking to get out of it?**

GRACE SUMMERHAYS: Yeah, I knew coming in I was going to learn something somehow. First Tour event, first major, great course, great field. So I knew going into it, I was going to get better. But results-wise obviously everyone wants to make the cut, and I actually feel like I can compete out here. Hopefully I'll finish high.
