## Nasa Hataoka

### Quick Quotes

#### **Q. How did the round go out there today?**

NASA HATAOKA: Well, first off I'm sure everyone says this, it was quite windy this afternoon and so there were things that I was able to persevere and unfortunate things such as my score not being as high as it could have been.

But I was aiming to be at the top of the preliminaries, and I think I was able to achieve that goal.

#### **Q. How would you say the course played today versus yesterday?**

NASA HATAOKA: As I said, it was a lot windier today and it just felt as though the greens were a little harder, a little tougher.

#### **Q. You're in the Top 5 on the leaderboard. How do you feel about your position and your game heading into the weekend?**

NASA HATAOKA: Well, as I said, I tried my best, and even though I was able to achieve a higher par, you know, there are only four folks ahead of me and I want to play my game with those folks in mind, and I think I was able to achieve my expectations. So that's how I feel about it.
