Quick Quotes

Q. Obviously a little bit of a rushed finish, but played well today.

YUKA SASO: Thank you.

Q. Talk about your round.

YUKA SASO: Yeah, I think I played steady today. Nothing special or nothing too bad.

Yeah, I also enjoyed playing with Minjee. I think that helped a little bit to calm myself down.

Q. So you still in great position for tomorrow. What do you think you need to do tomorrow to get to the top of the leaderboard?

YUKA SASO: I don't think I'm going to change anything. Just keep doing what I'm doing and focus on every shot and enjoy the last day of the U.S. Open.

Q. Playing pretty tough. Going to need to putt pretty well tomorrow to do something great.

YUKA SASO: Yeah, it's been tough since Monday, so not really excepting anything easy tomorrow. More like trying to focus on now and not look too far ahead. Just enjoy the game and hopefully I can give myself a chance a little bit.
