Quick Quotes

Q. Back-to-back rounds in red figures. What went well for you out there today?

ANDREA LEE: I think just staying really patient. I knew that it would be a little calmer with the wind so I felt like I had to take advantage out there a little bit, which I did on my first nine.

Didn't have the best finish, but still solid two days of golf. Anything can happen on the weekend and this afternoon as well. So just trying to stick in there.

Q. Touched on it a little bit. How did today fare conditions-wise compared to yesterday's first round, going off in the morning today?

ANDREA LEE: Yeah, it was definitely pretty calm, the wind for us this morning. Obviously it's going to pick up in the afternoon. I feel like I got -- we got maybe the better wave considering yesterday wasn't too windy throughout the day.

I think it's supposed to pick up a little bit this afternoon. Yeah, I knew that and I knew I had to go out there and be a little bit aggressive and just try to play smart golf.
