### Quick Quotes

**Q. What did you see from the course today in comparison to yesterday's round?**

INA YOON: I feel pretty similar than yesterday. I hit it better tee shot today, so it was pretty same.

**Q. How do you feel about your first two rounds and how are you preparing for the weekend?**

INA YOON: This is my first time play U.S. Open, so I was very excited to prepare this week. First round to second round I finished really successful. This weekend, just keep doing what I do and with the patience. Hopefully I finish well, yeah.

**Q. What was working with your game today and what are you working on tonight before your final 36 holes?**

INA YOON: I just keep my composure and doing -- and I try talking a lot with my Colin. It was really fun. 36 holes I'll do -- yeah, just stay focused on the golf course with Colin, and then enjoy it.

It will be great.
