## Ruoning Yin

### Quick Quotes

**Q. All right, Ronni Yin, three birdies in the last six holes to get to even for the day; minus four for the tournament; two back of the lead. Talk to me about the round today.**

RUONING YIN: Overall I think today it's a tough day. I got three bogeys on the front and then when I make the turn, I know we move the tee up on No. 10, it's a birdie hole, but I kind of slice my driver.

But after that hole I just talk to myself if I can somehow manage myself back to even par, I will still give myself a good chance for tomorrow.

So just a little pep talk after No. 10, and here we are.

**Q. Then you've won a major; you're a major champion. You've been world No. 1; been in contention numerous other times. What can you take from those experiences from the last couple years and bring it into tomorrow? You're only two back of the lead.**

RUONING YIN: I mean, two shot back in a major is not a lot, so especially this course is very difficult. You can easily make bogeys, so tomorrow I think I'm just going to stay patient and then I think last six holes brings me good vibes so just going to keep doing that.
