### Quick Quotes

Question: Talk about the final round.

Nasa: I knew that I needed to shoot at least 7 under today to get to the podium. I'm disappointed that I was not able to accomplish that.

Question: Would you talk about the experience of having a substitute caddie today?

Nasa: Greg and I've been working so hard together to compete on this Olympic stage. Unfortunately, he injured his back and wasn't able to carry my bag all four days. I had the caddie for Rikuya Hoshino carry the bag for me for today.

Question: Olympics has been your big goal. Reflect on the week and competing four days.

Nasa: I am very disappointed that I was unable to peak at the right timing to play well on this stage. Once the competition started, it was over in a blink of an eye.

Question: What do you think about Paris?

Nasa: It's hard to think about it right now. But if I have a chance, I would definitely like to be a part of it.
