## Lilia Vu

### Quick Quotes

LILIA VU: Yesterday I lost the putting aspect of it but I was happy to walk away on 17 with a birdie putt.

**Q. I saw you snap a photo on top of the bridge today. What were you taking a photo of?**

LILIA VU: Just the crowds. It's crazy out here. It's so awesome for Celine. Just the passion and energy just on the first hole is crazy.

**Q. The bridge itself, can you remember a time when you've had to walk over a bridge like that, almost above it, on your way to the first tee?**

LILIA VU: Yeah, The Open. So yeah, The Open I remember there's a huge bridge on top of like a highway.

**Q. Isn't it funny how that elevates things? That's a dumb pun, not intended.**

LILIA VU: The perspective.

**Q. The fact that you have to get from one place to another almost is like, gosh, this is a bigger event. There are going to be people in my way.**

LILIA VU: Exactly, I think it shows how big the event is and how the Olympics is the best athletes from each country come here to compete.

**Q. You've spoken about just your own personal emotions and representing Team USA. How has that played out on the course versus your average tournament the last couple days for you?**

LILIA VU: I think I try a little harder. I'm trying not to be quick to get agitated with the shots that I know I can pull off but don't. I just made too many errors today but I know my game is in a good spot and it can only get better.

**Q. How do you feel about your chances the next**

**couple days? What needs to happen to get yourself to where you want to be?**

LILIA VU: I need to put myself in better positions for birdie. You can't be 40 feet away or chipping on every hole because a lot of people are making birdies out here.
