## Somi Lee

### Quick Quotes

**Q. All right, Somi Lee is with us now at the KPMG Women's PGA Championship. 1-under through the first two rounds. How do you feeling heading into the weekend?**

SOMI LEE: (Through translation.) I made a lot of mistakes today but I've made enough birdies to recover my mistakes.

I'm pretty sure I will make a lot of mistakes on the weekend, but I'll try not to panic and focus and finish the tournament.

**Q. Is it hard to accept that 1-under is a really good score in this tournament?**

SOMI LEE: (Through translation.) I normally don't think about the total score. I just focus and think about that day's I could finish under or under par, but I couldn't. That's what I feel bad about today.

But tomorrow I'm going to think it is the first day and try to focus like it's my first day and keep going on.

**Q. The last thing: How tough it was to deal with the wind today? It was tough yesterday; how tough it was today?**

SOMI LEE: (Through translation.) Like I mentioned yesterday, tee shots are very important in this course. Yesterday the wind made it difficult. Looked like a front wind but it was a slice wind and the ball was bouncing like everywhere. That part was the most difficult part about the wind today.
