

# KPMG Women's PGA Championship

Friday, June 20, 2025

Frisco, Texas, USA

Fields Ranch East

## Jeeno Thitikul

TV

**Q. Jeeno, on a day when many of the world's top ranked players failed to even break par, you maintained your spot atop the leaderboard. What was the biggest challenge out there today?**

JEENO THITIKUL: Wind. Wind and the rough I guess. I mean, like I had a better tee shot than yesterday and then like put myself in the positions that I have a chance. If not, I just like trying to make par.

I think par it's really big key here. No matter what, no birdies, but 18 par, you take it.

**Q. What are you going to need to do well here the next two days to maintain this position on the leaderboard?**

JEENO THITIKUL: I think it's depend on the wind. If you can be committing with the wind you see and then calculating really good and putting yourself like tee-to-green really well and then making par, I think it's good enough.
