**Q. What fight-back Charley. After opening with that 78, you were the only player in the field to break 70 with a 69 yesterday. I know it was challenging again today. Can you describe as we watch the leaders play the back nine just how difficult these conditions are at PGA Frisco?**

CHARLEY HULL: Yeah, it's really tricky. Like I think it's really hard to putt actually like judging my -- I had three -- well, two birdie putts on 16 and 17 that were just hard to read with the wind and missed on 18, so it's just really hard.

But I find this golf course is really tricky with some holes you need to roll it in, but with the grass you can't really bounce it in with the way they designed it a little bit. No, it's a good challenge.

**Q. We know you like to play fast. Conversation about the setup of this golf course. What are your impressions through three days?**

CHARLEY HULL: Yeah, it was pretty crazy. We was playing two balls this morning and took us three hours and ten minutes to play nine holes, which is pretty crazy. We play a four ball at home in like three hours, you know what I mean, with bogeys and stuff.

Yeah, it's pretty crazy. At the end of the day it's a pretty tough golf course, it's really windy, and the setup is kind of tricky. Can't really expect it to be anything else.

**Q. You're 4-under par for the championship. As you look ahead to what everybody is facing this afternoon, you don't know what the lead might be come the end of the day. What's the mindset heading into Sunday?**

CHARLEY HULL: Exactly. It's bit of a luxury, but just try and stay in there tomorrow; anything can happen.
