Q. Lexi Thompson, another good performance at a major championship. Obviously not the result you wanted, but what will you take from this week?

LEXI THOMPSON: Yeah, a lot of positives to take from the week. This week was very difficult between the winds and just how the golf course was playing. It was overall a very challenging week.

Positives with I guess the top 15 finish, and take that into next week pairing up with Megan Khang.

Q. No doubt about it, the fans love seeing you out here. How much do you love the reception that you receive everywhere you go?

LEXI THOMPSON: Yeah, I'm truly grateful for every single one of my fans. I mean, there wasn't a whole lot out here just with how hot as it was, which is understandable. There was so many little kids that were out here supporting us women golfers, so I'm grateful for every single one of them and hopefully just growing the game.

Q. Teaming up next week with Megan and them. What's next for Lexi?

LEXI THOMPSON: I'm taking time off. I felt like I just played three weeks in one, so I'm ready for a good five-, six-week break now.

Q. Enjoy it. And probably back to some wedding planning.

LEXI THOMPSON: Yes, definitely will.
