### Quick Quotes

**Q. Amanda Doherty is with us now at the 2026 KPMG Women's PGA Championship. Amanda, what can you tell us about with your ace today?**

AMANDA DOHERTY: It was a perfect number for my 8-iron. A little bit of a draw wind for me, so even better, and just a stock eight.

I quit watching it. Then I heard everybody cheer.  
(Smiling.)

**Q. What's your history of hole-in-ones, especially at the professional level?**

AMANDA DOHERTY: This is my fifth hole-in-one. They've all been in competition, but first one on Tour. I had one on Epson, had one in a Monday qualifier earlier this year.

**Q. Is this your best one?**

AMANDA DOHERTY: I think so.

**Q. Why?**

AMANDA DOHERTY: Hole-in-one in a major, yeah.

**Q. Okay. Can you describe the others, long par-3s, short par-3s?**

AMANDA DOHERTY: Kind of a mix. I've had mid-to-long irons every time. This was a shorter iron today, so...

**Q. How does it feel to be in the limelight in a major? First time?**

AMANDA DOHERTY: Yeah, it's quite exciting for sure.

**Q. Put all that aside, obviously came late in the round. Do you leave the round pretty excited about the way you played and happy with the way you played?**

AMANDA DOHERTY: Yeah, got off to a little bit of a rocky start this morning. When I made the turn I thought, let's try to get it back to even par and I did that, so I'm happy with how I turned it around.

**Q. Beyond the hole-in-one, how do you prepare and plan for this week and what's your vision for the rest of the week?**

AMANDA DOHERTY: I'm just going to keep trying to play my game and hope it's a good week.

**Q. Who did you give the ball to?**

AMANDA DOHERTY: I gave it to my dad. So I wouldn't hit it so he can hang onto it.

**Q. What is where dad's name?**

AMANDA DOHERTY: Mike.
