Quick Quotes

Q. Ina Yoon is with us now at the 2026 KPMG Women's PGA Championship. Ina, 63 for you today. What can you tell us about your round?

INA YOON: I didn't know I'm hitting like that much birdie today. Yeah, it was fun to play out there. Was really nice weather.

Many golf fans came out to watch us. Was really -- yeah, was really nice, yeah.

Q. So is it the first time you shoot 9-under?

INA YOON: No, actually, I hit -- I shoot several 9-under par before, yeah.

Q. When was the last time? At a major?

INA YOON: No, it wasn't major. This is first time 9-under par I think in LPGA Tour.

Q. And so what do you need to do to shoot 9-under?

INA YOON: To be honest I don't know. (Smiling.) Like I just did just -- I just hit golf ball and it just dropped the hole and was really, you know, awesome experience.

Q. What was the best part of your game today?

INA YOON: Today? Oh, I would say I think was iron shot was great today and putting also. I don't think I missed short putt today.

Q. And then the last thing from me: When you're playing like this, getting birdies after birdies, what goes through your mind? You let things happen? Is it you go with it, flow with it? What's in your head?

INA YOON: Just try to think nothing. Focus on what I need to do. Focus on process. That part I think I did great

today.
