Q. Here now with Ina Yoon after her second round here at the ISPS Handa Women's Scottish Open. Great 5-under from you today. Take us through the round.

INA YOON: Was so cold the morning and too windy. I mean, I don't have much experience play with the wind, so I enjoyed to able to learn what I'm not used to.

So just try to play calm and then play (indiscernible) was fun

Q. I was going to ask you, what's your experience with links golf?

INA YOON: Actually I don't have much experience with this much wind and island golf course. There is one in Korea, Jay yeah island. There is strong wind.

Wasn't that much. (Laughter.) Yeah.

Q. And what have you made of Dundonald links the course, how does it suit your game?

INA YOON: I like this course. Pretty -- it's pretty and I think it's nature golf course, so I really like this course. I really enjoyed it.

Yeah, perfect.

Q. How are you using this week to maybe prepare for next week at the AIG?

INA YOON: I heard there is many wind as like here, so try to compare the wind shot. I think it works.
