Quick Quotes

Q. Here after the second round in Scotland. What were your thoughts on today's round? You had several birdies out there.

INA YOON: It was pretty windy today. I've been working on hitting low shot, and it works out great this week. Today shot was great. I made some putts.

Q. You had three birdies in a row. Were those all great putts?

INA YOON: Was it great putt? I don't remember. I think it wasn't that difficult of a putt, less than five metres. Shot was great today, first of all.

Q. You played in the morning today but yesterday you played in the afternoon. How were the wind conditions over the past two days?

INA YOON: I don't think it's that much different between morning and afternoon tee time. Pretty much the same conditions.

Q. Then you said practicing your low shot and using your low shot this week. What did you do last week to get ready for this type of golf?

INA YOON: I've been ready for this for like a year now. Last year, pretty much the first time playing links golf, so it was a shock for me.

After that, I really want to be prepared next year, and I think this year is way better than last year.

Q. So what did you learn last year playing here?

INA YOON: Have to have low shot for sure and great mindset. Like you can use for the green and bounce off the green and make a chance, instead of just land on the green and try to stop it. It does not make sense at all here.

Q. Is there any type of food that you enjoy eating in Scotland?

INA YOON: Fish and chips. There's a nice place near my place. It's really good.
